I Am _____

I Know _____

I Feel _____

No individual knows what it is really like to live until he can say or experience these great verbs of life: I am, I know, I feel, I can, and I complete. Life is but the process or learning through daily experience the meaning of these verbs and acquiring the personal power of each.

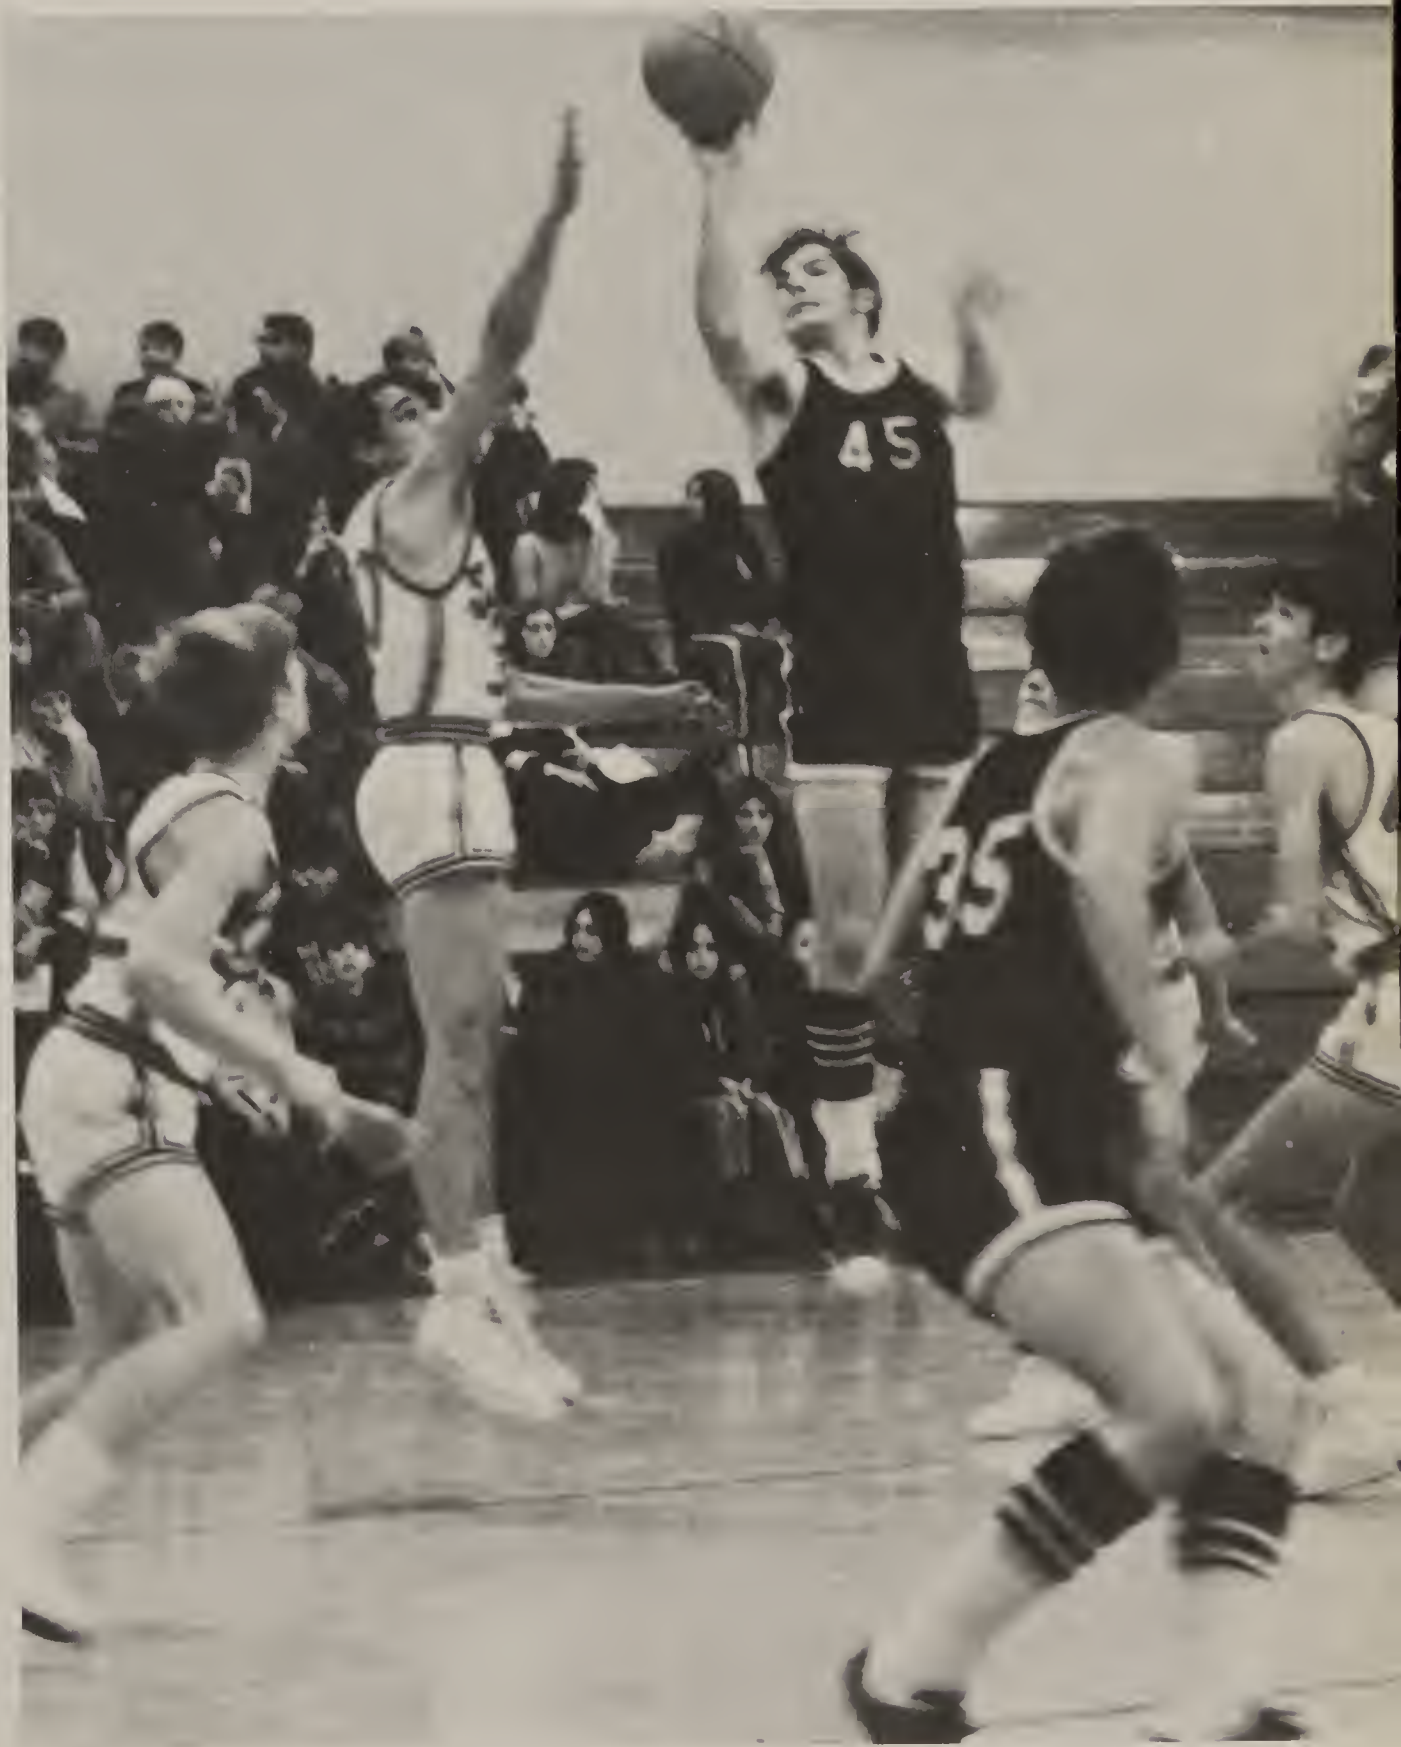

I Can _____ I Complete:

I Am . . .

The Power to Identify Myself Among Others

I Know . . .

The Power to Master Facts

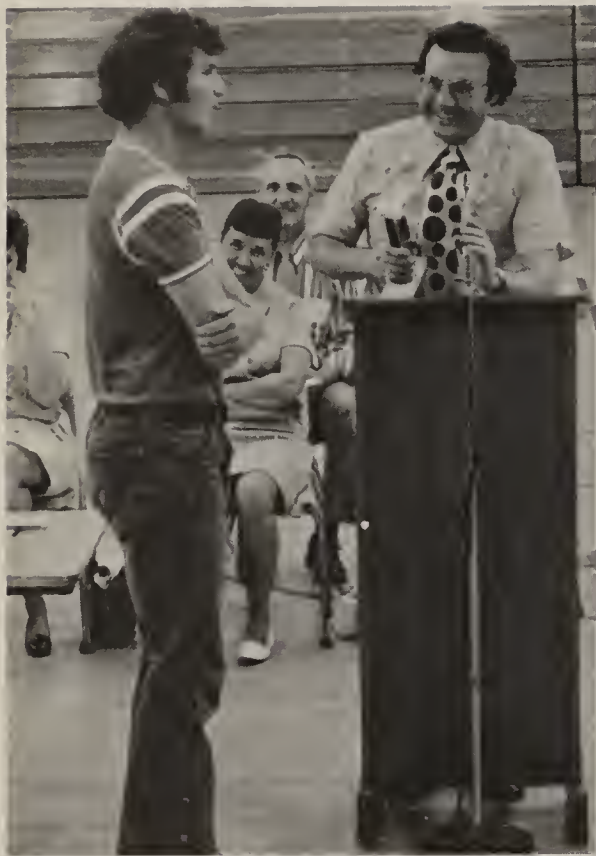

I Feel . . .

The Power to Explain My Emotions

I Can . . .

The Power to Achieve and Accomplish

A.H.S. English Department Shows Exciting New Changes This Year

The English department of Angola High School has undergone a major change this year. For the first time, all courses have been only one semester in duration, providing more variety and interest to students with more English classes to choose from.

The high point of the year for speech students was the Rotary Speech Contest. A 5-10 minute speech on "Freedom in Democracy!" was required. The winners from our school, Sally Hammel and Bruce Zeiger, won the county championship by default.

On March 8th, the 7th and 8th grades had a Spelling Bee. 8th grader Julie Bledsoe won when she correctly spelled "appendage." Another 8th grader, Candy Bush, was runner up. County competition took place on March 25.

Upper Right: During a freshman English class Miss Counterman speaks with Bill Wilder, Bruce Hull, Daye Kaiser and Kirk Flanigan. *Lower Left:* Mr. Brayton, 8th grade English teacher, helps a student. *Lower Right:* Mrs. McKeever explains some composition rules to Dana Clark.

Upper Left: Mr. Dougherty assumes a classic pose while considering a student's question during World Literature class. *Upper Right:* Connie Bobay gives her required presentation in Speech I in the form of a dramatic reading. *Lower Right:* Sue Goudy gets all dolled up in order to create a total effect for her portrayal of a Raggedy Ann doll in Mr. Servis' Speech I class.

Students Find That a Foreign Language Enhances Their Knowledge.

Top Left: Mr. Farvers' class is always a noisy riot. *Top Right:* Mrs. Cook is drilling French into her students. *Left:* Miss Grubb

is trying to reach across the language barrier to her students. *Above:* Mrs. Spoolstra keeps her students interest.

Betters Their Understanding, Introduces Different Aspects of the World

Every year brings new ideas and faces to an old high school. This year to aid our foreign language department we have added Miss Grubb for German and Mrs. Cook for French. Both teachers have made an effort to make the languages they teach more interesting.

Besides German and French, all the students have a chance to take also Spanish and/or Latin. Spanish is taught by Mr. Farver who is in his second year of teaching at our high school. Latin is taught by Mrs. Spoolstra who keeps the Latin club active with new and exciting happenings.

For the first time in the history of Angola High School, the different language departments made an effort to explain to the junior high students about the various languages. By doing this the teachers hope to expand the interest of languages at AHS.

Above: Miss Grubb while teaching also enjoys picking up and grading papers, being friendly with her students, and discussing German assignments. Above Bot-

tom: Mr. Farver teaches a fifth hour class of a lively bunch of Angola High School students. AHS Teachers Are: Spanish —

One Day Trip to Washington, Student Teachers, Add Variation to School

In Oct. the senior Government classes left Angola for Baer Field, from which they flew to Washington, D. C. for a one day whirlwind tour of that city. Students from Columbia City and Heritage toured the capitol with our A.H.S. group directed by Mr. Burnau.

The tourists sat in on sessions of both the House and Senate. They also met Congressman Roush and saw the Capitol Building, White House, Smithsonian Institute, etc.

Everyone thought the trip was worth making.

Upper Right: Mr. Burnau and Mr. Sirk, Social Studies teachers, go off to take a well earned coffee break during a busy day. Lower Left: Seniors file into Government class in room 302-303. Lower Right: Mr. Burnau working at his desk in the History room.

Above: Student teacher Miss Lash is learning by doing while teaching a Senior Government class. *Lower Left:* Mr. Nesbitt and his class studying diligently during a work period in U. S. History, required during the junior year. *Lower Right:* Another U. S. History class taught by Mr. Simon.

Math, Science Classes at AHS Strengthen Our Student's Ability to Think

Math and Science classes again this year made Angola's students ability to think increase through homework assignments, tests, and discussions.

The Math department, with male teachers Mr. Dygert and Mr. Hammel, and female teachers Mrs. Kile, Mrs. Thalls, Mrs. Boyer, and Mrs. Schubert offer students a change to reach their goals in Math.

The Science department increases and soon will have new faculites.

Right: Mr. Wright's fifth hour Chemistry class seems to be enjoying their free time during Science. *Bottom:* Assistants are taking a breather.

Top: Mr. Hammels makes use of the overhead in his math class. *Top Right:* Mrs. Kile

and Mrs. Avery discuss a classroom topic while students look on.

Left: Mr. Dygert is helping Greg with a challenging math problem. *Top:* Rich studies.

Right: Mrs. Buse supervises in the kitchen. Center Left: Clean-up is part of learning to cook. Center Right: Mrs. Trennepohl gives helpful advice to these young seamstress'. Bottom: Cooking is only part of Home Ec. These girls are waiting to eat. Do they look hungry?

Home Ec., Art Students Increase Knowledge, Skills Through Field Trips, Class Projects

Again the A.H.S. Home Ec. classes held a style show, under the direction of Mrs. Buse, Mrs. Hippensteel and Mrs. Trennepohl. Girls modeled fashions from maxi to mini, formal to informal.

The art classes have made many accomplishments this year, which helped brighten the cafeteria walls and the display cases. Many thanks go to these deserving students.

Above: Seniors Jacky Bryan and Claudia Chapman display their artwork which they made under the guidance of Mr. Robinson. Lower Left: These art students are busily working on their projects to

strengthen their natural ability and skills. Lower Right: Mr. Robinson assists Tom Brown in constructing a macrame wall hanging. Macrame is the art of weaving knots to form geometric patterns.

A.H.S. Students Struggle to Develop Their Musical and Physical Abilities

Above: Mrs. Hill is trying to help the Freshman girls sight read.

Students have a need to develop in other ways from regular learning. They can round out their education with singing, playing an instrument, or developing their physical abilities.

The Music Department is widening to make more opportunities for students to develop aside from playing at football games.

The Marching Band received a first at NISBOVA. Miss Siebold and Mr. Frisinger do a fine job in planning all of the concerts and making each one even more interesting and enjoyable.

Forming a mental mind is important but just as important is the physical body. Exercise, with sports and all types of physical abilities, is stressed by the Physical Education Department.

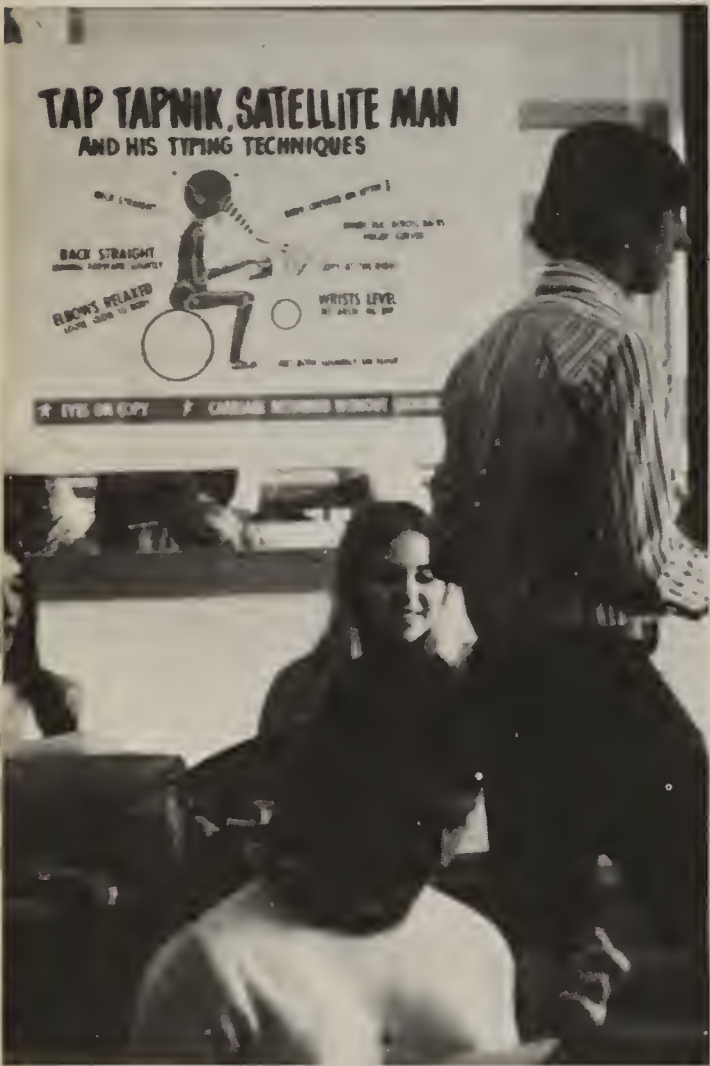

Above: The Freshman girls are enjoying their vocal class. Right: Smiling Mrs. Bartholomew always makes gym classes en-

joyable for junior and senior high students.

Left: The boys in the advanced gym class know that keeping in shape is essential.

Above: The girls find that gym class is a good time to talk with friends.

Upper Right: Mr. Thompson, business teacher, Mr. Osborne, and Robin Osborne check some typing work. In the background, Mr. Vaughn, another business teacher, speaks with a visitor. *Upper Left:* Students improve their typing skills on the electric typewriters in one of the

typing rooms. *Lower Right:* Students in an Auto Mechanics class get practical experience working on cars in the A.H.S. shop. *Lower Left:* Mr. Thompson enjoys a moment of relaxation at his desk in one of the typing rooms on Angola's third floor.

Industrial Arts and Business Classes Learn Basic Skills for Future Careers in Industry and Commerce

The Industrial Arts and Business departments carried on their vital role in preparing young people for jobs in the working world this year.

In Industrial Arts a wider variety of courses were offered. This may have been the stimulus which caused a greater number of girls to take classes in this area than ever before.

As in previous years, the Graphic Arts class printed the school newspaper, and the Drafting class took first through fifth places in the Tri-State Drafting Contest.

The Business Law class staged an incident in Psychology class and then held a trial as a project.

Above Top: Mr. Stevens, Industrial Arts teacher, instructs junior high students in the basic skills used in Mechanical Draw-

ing. Above: A class of freshmen work on their projects in the shop for a Woods I class.

Guidance Counselors Provide Helpful Service to Students

The Guidance Department is a great help to the students. Mr. Jim Fleming works with Mr. Shock helping students with their schedules. They have a sympathetic ear for any student that feels the need. They also help in the choice of colleges. Miss Lautzenhiser works with the Junior High. She helps the seventh and eighth grades with their many problems.

Administration Again Provides Successful Leadership

Mr. Harold A. DeNoon and Mr. Harry Kelly again show interest and leadership for the students of Angola High School. They have worked hard to make the school year successful.

Also providing fine leadership this year were Mr. Floyd McCutchan and the entire school board. The school board has done a decent job.

This year has also seen many new changes. The addition of new rooms and improvement of others will improve the school greatly. Activity Day became a fantastic production of mini-courses. Also, many new courses were added to the curriculum.

Victorious Hornets Trample Opponents

The team will be relinquishing many outstanding seniors this year, including Jerry Banta and Gary Darnell, who won NEIAC second team positions as running back and offensive tackle respectively. Replacements for these seniors and others

won't be easily found; but with the excellent coaching staff Angola continues to maintain and the pride founded by a winning football team, next year's season should be exceptional.

Gary Smith, this year's kicker, averaged 39.6 yards. He was also fourth highest man on defense with 73 tackles.

Dave Newnam (*above*) the quarterback, with the unequalled coaching of (*right*) Mr. Hammel and Mr. Sirk, led the team to a 5 and 4 season record. Dave had 456 yards rushing and was the second highest ground gainer on the team.

Dave Newnam (*above*) accounted for 560 yards passing, completing 37 of 108 attempts. Jerry Banta (*left*) rushed for 1039 yards and piled up 79 tackles on defense.

The Hornet offensive line (*above and right*) blew holes in the opponent's defensive lines to help amass 1782 yards rushing. They also gained 110 first downs to the opponents 80.

The Bees gained a lot of yardage with both their running and passing attacks.

Cross Country Team Shows Promise

The 1971 Cross Country season saw a much improved team with much improved record. This improvement was due to both a maturing squad and the presence of new members who added depth to the squad. The team's outlook for the 1972 season is strong because the team will lose only Ridenour and Concus to graduation.

Tennis Team Gains Experience

The 1971 Tennis Team under went the first year of a painful learning period all teams must pass through after their beginning. Box scores and statistics do not give an adequate reflection of the much work that is required to build a team. Individuals that did well in the sectional and conference action were Kraft and A. Bal, A. Bal and Wilder, and B. Bal and Bender, all in doubles competition.

Young Basketball Team Has Discouraging Year

The Hornets had a dismal basketball season this year. The Hornets finished with a disappointing 1-19 season. The team members worked hard and were really better than the record indicated.

Reid Mocherman, the only returning letterman, led the young team in nearly every category. He also provided the leadership that the younger players needed. It was only right that Reid, because of his great season, was chosen MVP.

Towards the end of the year the Hornets showed much improvement. They played good ball and were just barely defeated by such teams as Concordia, West Noble, and Garrett by slim margins.

Reid Mocherman led the team in scoring and rebounding. He scored 371 points and pulled in 226 rebounds.

Young Gymnasts Show Spirit and Determination During Difficult Year

The Varsity Gymnastics Team consisted of five freshmen, four sophomores, and one junior. The team record relates a losing season but this does not give sufficient credit to the hard work that went into individual meets. Individually the team looked strong with freshman Ron Wenzel; sophomore John Carney, and junior Bill Fee placing at several invitationals and the sectional.

Hornet Baseball Team Has Action-Packed Season

Bill Milhollin made many good plays.

Hitting was a continual problem for the Hornets during the 1972 season.

Newcomer Chris Cauley proved to be an asset, not only on offensive but defensively also.

Base running was an integral part of the Hornet's offense.

Ron Parker was the most reliable pitcher.

The players on the bench give a lot of verbal help to the team.

The Batgirls were a new facet to the baseball team. They did brighten up the game.

The infield was one of the few bright spots in a very disappointing season.

Golfers Continue Winning

1972 Hornet Golf Team went on as in previous years and again pulled through another winning season. It was a good season despite several losses, inasmuch as it indicates another good season in the making. Losing only two members to graduation, the future looks good for the remaining team members.

HOE, ICE, and ICT help students earn as they learn. It also gives them experience in the business world. They work with people not just papers and pens.

Each student must also attend a class that is related to the business. These classes are run by Mrs. Crimmins (HOE) and Mr. Heier (ICE and ICT).

Each student belongs to VICA. VICA sponsors various activities during the school year. This club sold caramel apples at the football games. They also held a banquet for the students and their employers.

Thespians Strive to Bring to A.H.S. a Variety of Stage Entertainment

Thespians, or the school dramatic club, promoted greater interest and knowledge in the aspects of the theater. To become a member one must earn a total of 100 points. These points can be earned by working on anyone of the many areas in the production of a play. The activities may include; set designing, makeup, lighting, publicity, costumes, or even acting. A formal initiation is generally held in the spring.

The Thespian productions for this past year included: *Up the Down Staircase* in the fall, the One Act plays of; *High Window* and *The Valiant*, and *Flowers for Algernon* in the spring.

Thespian Offices Are Held by the Following: Kathy Rose; President, Anita Huffman; Secretary, Esther Bruner; V. Pres., and Mr. Vaughn and Mr. Scott as Sponsors.

Student Council Sponsors Another Successful Student Activity Day

The big project undertaken by the student council again this year was Activity Day. A wide variety of "mini courses" ranging from Knitting and French Cookery to Aeronautics and Primitive Living were offered. Lasting either three or six hours, these unusual classes made for an enjoyable day.

Election week was marked by lots of original campaign posters hung up all over and an undercurrent of excitement with some good natured rivalry leading up to the big day. Jim Haack, Pam Wetzel, and Randy Coffey ran for the office of Student Body President, with Randy coming out on top in a close race. Gary Weber won the position of Vice-President easily.

Y-Teens Correlate Fun Into an Active-Productive Year.

The Y-Teen organization worked on many projects. On evenings after school, the girls would often visit people at the Nursing Homes. The club also sponsored clothing drives for the needy. Trick or Treating for Unicef had its rewards and fun. Each year the club also has a Walk for Mankind.

The key event of the year was the Christmas Prom. The theme was developed around King Neptune's Court and was full of undersea world fantasy. Y-Teen cookies were made and sold as a money making project.

The traditional candlelight initiation service was held in February. With the coming of spring, also came the time for the annual Pa-Ma-Me Banquet and the Seniors last good-byes at the Senior Swing Out.

Pictured Above are the Officers of the Y-Teen Organization: Sue Goudy, President; Jackie Van Wagner, Vice President; Martha Sheets, Secretary; Kathy Rose, Chaplain; and Mrs. Thalls, Sponsor of the Young Christian Organization.

Hi-Y, N.H.S. Develop Students' Character Leadership

Again this year, the Hi-Y sent delegates to the Pre-Legislature, where Greg Hamilton ran for Speaker of the House. He was defeated by a small margin, but gained experience from it.

During the month of February, the Hi-Y celebrated the organization's 50th anniversary. Present members, their fathers, and any old members were invited to the Sunday afternoon gathering.

The month of May marked the Hi-Y picnic, honoring the old officers. The outing was a thoroughly enjoyable experience for all in attendance.

Angola's National Honor Society completed a very successful past year. Though they are not a money-making organization, they raise money for a scholarship fund at A.H.S.

On April 19, the senior members of the N.H.S. were taken to the Ambassador Restaurant for a meal, as guests of the Lions Club. Then at the school library 23 new members were initiated.

Lettermen, Pep Club Members Earned That Much Needed Money

The Varsity Club and Pep Club worked together to make the year a success.

The Pep Club year was highlighted by a basketball game pitting the female faculty against the Pep Clubbers. The Pep Club didn't win in the 20-10 game but did make money. Their signs, pep sessions, and new cheers all made for a fun season.

A Letterman's Banquet highlighted the Varsity Letterman's Club year with the presentation of athletic awards and plenty of food to feed hungry men. The club strived to encourage friendship among athletes and promote loyalty and respect for athletics and the school.

The G.A.A. Club had an active, fun year once again. At the Dist. Gymnastic meet held at Leo High School, the team placed third out of the nine competing. Two girls went to the State meet representing AHS: Julie Dahl and Robin Bush.

The club went to see the U. S. Women's Olympic Gymnastic Try-outs where the top 40 gymnasts in the nation pitted their skills against one another, held an awards banquet, had a camp-out, initiation, and even went on a ski trip.

German Club Becomes Important Part of the Language Club Scene

The Spanish Club sponsored the Powder-Puff Football game in which the underclass women defeated the seniors 8-6. They also held a Spanish Fiesta on Feb. 19th and sold candy.

A French Club Mardi Gras costume party took place on the evening of Feb. 15th in the cafeteria. French club meetings were more interesting with the presentation of special programs by members.

The Roman Banquet, was held on Apr. 26th. New members were initiated and all dined "Roman style." They sold small tool kits to finance the banquet and a gift to a local charity.

This was the organizational year for the German Club whose purpose is to give members more exposure to German culture. In Oct. they attended a German dinner held in Ft. Wayne, and then on Apr. 17th visited the German Consulate in Detroit.

The Future Teachers and Future Homemakers of America had another great year at Angola.

The F.T.A. always had interesting meetings at which teachers spoke, or skits and plays were performed. Members can visit Hendry Park to observe classes.

The F.H.A., whose club motto of the year was "To dare is to care," sold pennants at the football games, had a raffle at Homecoming, and in April had a car wash. Community projects included painting the playground equipment at the Firemen's Park and making party favors for patients at the County Home and hospitals at Christmas time.

AHS Choir Brings Home First, Much Enjoyment for Audience

The AHS vocal music department has remained extremely busy throughout the 1971-72 school year.

The Christmas program was again this year termed a complete success. Along with the Swingals, vocal classes, and Jr. High Choir, the AHS Concert Choir presented some old favorites and with some of the more modern Christmas favorites.

April again brought the music contest at Homestead High School where the choir, girls vocal group, and the band all returned with first ratings.

The AHS spring vocal concert presented easy listening and a variety of familiar show tunes.

As a new innovation, the music department helped celebrate the total success of the year with a banquet and numerous laughs.

AHS should be proud of the excellent directors and music students for a job well done.

After many fulfilled hours of practice, the spring concert was the last for the seniors.

The music department purchased new gray choir robes which the choir wears during the spring concert.

Miss Siebold directs the AHS choir in another extremely successful year.

Students Spent Extra Hours in Special Practices in Music, Pom Pon

Under the direction of Miss Siebold and Mr. and Mrs. Frisinger the 71-72 music and pom pon year can be termed a success.

The Swingals presented musical programs for various organizations besides their music concerts.

The Pep Band with half-time programs and Dixieland Band's music brought audiences happiness.

AHS Pom Pon Girls shared equal pride in their NISBOVA 1st. They and the Pep Band also participated in a contest, both taking 2nds.

In their portion of the Christmas concert, the Swingals revived some of the old favorites and presented some more modern numbers.

Band Marched to Class B 1st, Undergraduates Showed Potential

The A.H.S. Band really got things accomplished this year. During marching season, they earned a Class A rating at the NISBOVA Contest in Ft. Wayne and put on imaginative and entertaining shows at home football games.

A lot of time and effort are put into these shows, beginning with a summer band camp which gets everyone into shape. Ask a bandsman why he marches to exhaustion and he'll tell you that the satisfaction derived from being a part of a coordinated group is worth every drop of sweat.

Tom Sell, drum major, experiences frustration that hot, hard workouts bring at Band Camp.

Junior High Play Tough Competition

The Junior High football team showed promise for future years. This year the Eighth grade team posted a record of three wins and only one loss. The Seventh grade team lost all four of their games. The teams were coached by Mr. Harter, Mr. Hull, and Mr. Thalls.

Back Row: C. Clar, G. Koomler, S. Thalls, J. Ritter, T. Donaldson, J. Bowerman, B. Emrick, M. O'Beirne, J. Miller, R. Tilbury. *Second Row:* M. Darnell, G. Hawthorne, D. Martin, B. Ridenour, C. Folck, S. Anstett, J. Carney, L. Radabaugh, C. Kunce, R. Conrad, T. Bledsoe. *Front Row:* R. Rigdon, E. Ralston, B. Shipe, K. Deluncenay, P. Gilbert, T. Simons, J. Brock, B. Miller, S. Clark, J. Wetzel.

Back Row: B. Klink, D. Fields, R. Schmidt, D. Szeman, B. Bumgarner, M. Dygert, L. Radabaugh. Second Row: B. Mason, S. Crain, B. Karst, Hutchins, B. Smith, B. Bush, J. Murden, J. Ramsay. Front Row: D. Sanders, S. Counterman, B. Goliff, B. Whitcomb, R. Foster, M. Van Wagner, S. Pavy.

Eighth Graders Show Promise

Despite a slow start coaches Robinson and Wright led their team to a long string of consecutive victories before a final defeat in the concluding game of the season. The later victories were due to teamwork and reflected the working spirit of the team itself.

Top Row: Mr. Doyle Robinson — Coach, S. Thalls, B. Stackhouse, D. W. Mow, T. Donaldson, G. Porter, J. Bowerman, D. Richardson, Tony Wright — Asst. Coach, B. Miller, J. DeLuceny, B. Shipe, T. Simons, R. Tilbury, B. Emrick, T. Bledsoe, J. Ritter, G. Sauter.

Tom Donaldson "outguns" his man.

Joe Bowerman shoots at the foul line.

Despite tight defense this hornet again gets off a shot.

Total effort is always an important factor.

Seventh Grade Basketball Looks to the Future

Despite rather discouraging defeats the seventh graders under Coach Dean Harter gained necessary experience and looked for better seasons in the future. Despite a rather unimpressive win-loss record the team as a whole gained valuable experience which will benefit them in later years.

Marty Dygert shoots in heavy traffic.

A second Hornet attempts a basket.

Coach Harter offers a word of encouragement.

Proper execution of plays is an important aspect of Basketball.

Execution of good defensive action is also important to the success of a team.

Junior High Students Prepare Themselves for Future Years

Congregating in the hall between classes seventh graders discussed the latest.

The Junior High Choir under the direction of Miss Siebold practiced during many activity periods in order to prepare itself for their Christmas Program.

Tom Simons used his skill to put his team in front by making his foul shot.

Mr. Nichols directed with much patience and skill, the Junior High Band in Concert. The young band showed great promise for future musical years at A.H.S.

Lynn Hemrick and Rosanne Willig found themselves a furry football fan.

The HOPE Club Officers are: Cindy Crimmins; Publisher, Debra Meyers; Pres., Susan Randolph; V. Pres., Annette Barton; Treasurer, Dalph Riessig; Kirk Holcomb, and Mr. Scott; Sponsor.

The Science Club Steering Committee Includes: Rick Rigdon, Paul Gilbert, Candy Bush, Chip Folck, Richard Thomas, and Mr. Moeller as the sponsor of the club.

Involvement and Enthusiasm are Shown by the Junior High

During the sport season the seventh grade cheerleaders; Trisha Bratton, Becky Mick, Kathy Horman, and Heidi Bowerman kept their teams spirits high.

The best speller in the Junior High, Julie Bledsoe, was sifted out from a large group of students and a long list of difficult words.

Mark Darnell (no. 42) and Ed Ralston (no. 34) overtook the Panthers.

A long kick is made by Tom Donaldson, as the team rushes down the field.

The Eighth Grade Cheerleading Squad Consisted of: Nancy Osborne, Rosanne Willig, Jeannie Fulton, and Sue Yates. These girls showed much enthusiasm.

This class of Junior High students seemed to be frustrated with the work at hand . . .

Each Step of Life as I Reach It

Remarks . . .

Readers:

I would like to thank the very few people who worked on this yearbook. I sincerely extend my thanks to them for their help during the year.

I must admit that this was very hastily put together. But this book, along with many other facets of Angola High School, simply reflect the apathetic attitude of the entire student body. This book illustrates what apathy can do to a school activity.

The people on the 1972 yearbook is included in this apathetic school group. Very few people cooperated with us and yet expected a well-put together yearbook. I hope that next year's staff has better luck with the book.

I would again like to thank the people who did help us with this book.
